Thur 29 August: Catalan Tension Tray or Trivets- 1.30-4.30pm

Based on the Catalan technique for making basket bases and trays for drying fruit or tomatoes. Willow rods are woven over a frame and ribs to create a firm tray or trivet. Depending on size they can make beautiful fruit or bread platters or a coaster for your favourite mug or teapot and when not being used you can hang them on the wall.

Cost £20

To book email info@morethanwillow.co.uk

Fri 13 September: Willow birdfeeders- 10-1pm

This workshop will introduce different weaving techniques to create a birdfeeder for fat balls or apples. It also makes an attractive garlic holder for use in the kitchen or you can use it to store wooden spoons!

Time permitting you may also have the chance to make a spiral weave feeder too.

Cost £20

To book email info@morethanwillow.co.uk

Sat 12 October: Gathering baskets 10.30- 3.30pm

This workshop is suitable for those with some previous experience of weaving. Using willow hoops as a frame you will weave a small gathering basket which is ideal for collecting eggs or even as use as string dispenser or fruit bowl. Tea, coffee and home baked cakes will be provided but please bring your own packed lunch.
